We were so blessed to begin in-person services last week! We recognize that you may have questions about what re-gathering looks like. Please visit this page for FAQs on what to expect if you choose to attend in-person: harvestdetroitwest.org/resources/stories-articles/coronavirus-updates. If you are in any way uncomfortable with these expectations, we encourage you to stay home and take advantage of the service livestream. These are initial steps to begin re-assembly for those who are ready to be with others. When you feel comfortable returning to in-person services, please join us. In an abundance of caution, we are asking those who have a compromised immune system, or are exhibiting symptoms of any illness, to continue to worship at home through our service livestream: harvestdetroitwest.org/resources/live-stream.

WE ARE AVAILABLE TO YOU

We want to stay in contact with you during this season. The best way to reach us is via email: admin@harvestdetroitwest.org or by calling the church office (734.895.3280). Please reach out!

HARVEST HELPING HANDS

Do you NEED practical help, such as grocery pickup, urgent supplies, or an encouraging phone call? Or are you willing to PROVIDE this help to someone in the church family? Visit harvestdetroitwest.org/resources/stories-articles/harvest-helping-hands or email: andrew.m.schaad@gmail.com.

ELDER CANDIDATE

Jesse Hawkins has been selected by the Elder Board to serve as an elder of Harvest. The Hawkins family has been part of our congregation since 2012, and Jesse has previously served Harvest as a deacon and as Men's Ministry director. In keeping with the instruction of Matthew 18:15-17, we call upon the body of Harvest Bible Church to approach Jesse if you know of any circumstance which would hinder his qualification for ministry to us. Lord willing, the elder installation will take place in early June.
